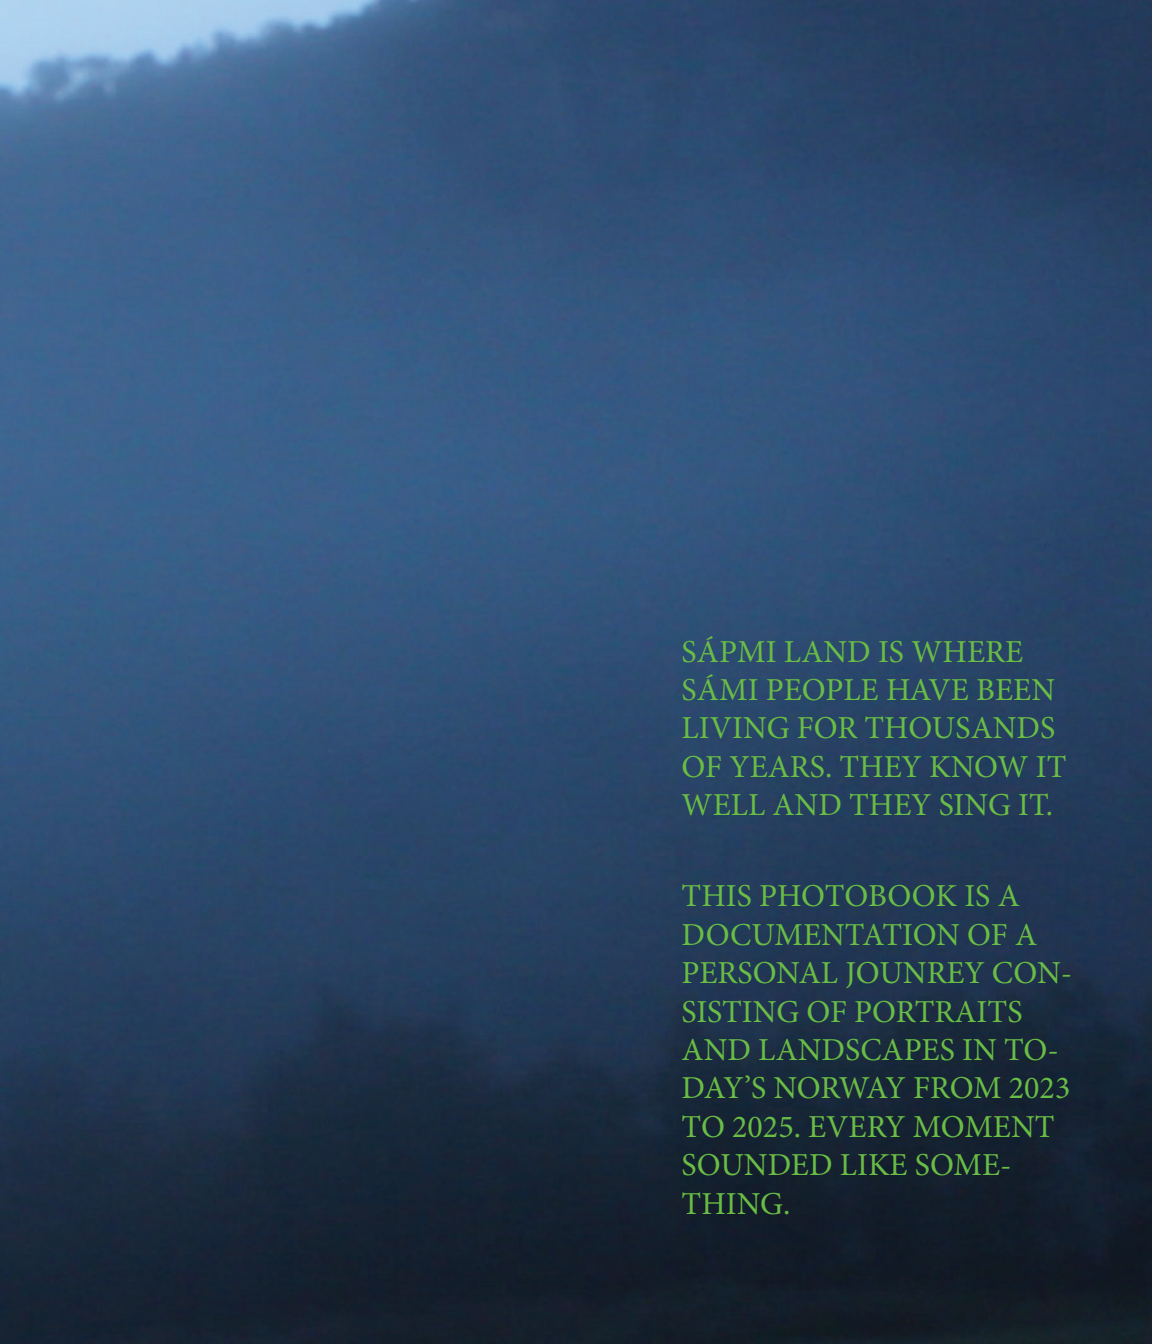
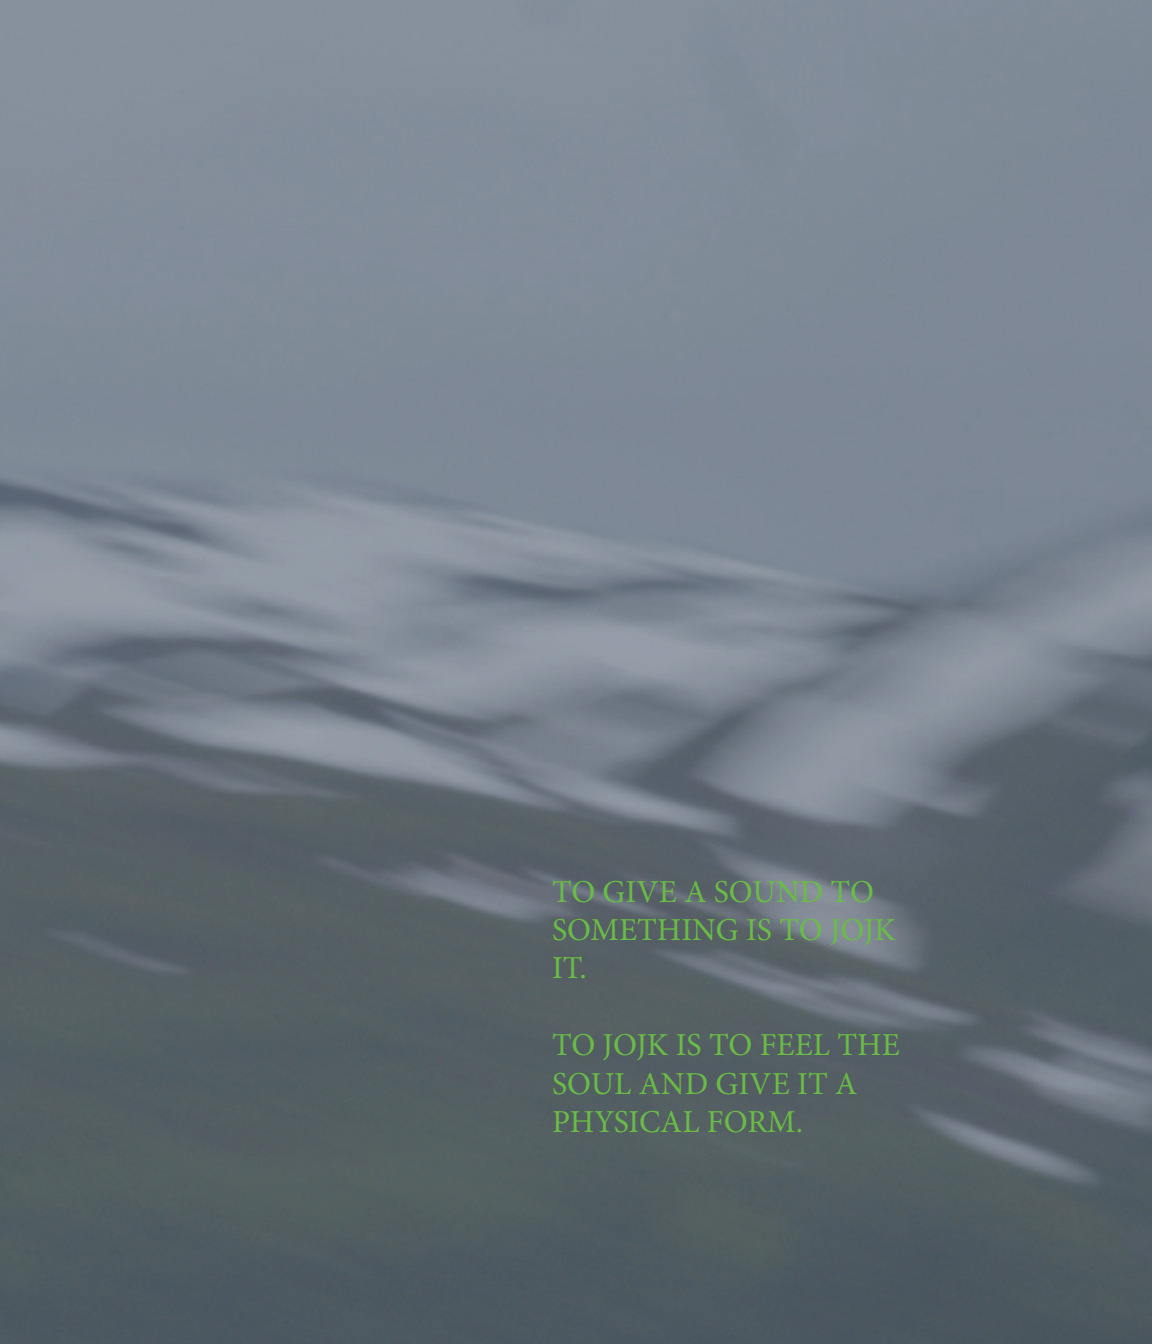
ON THE WAY TO
SÁPMI



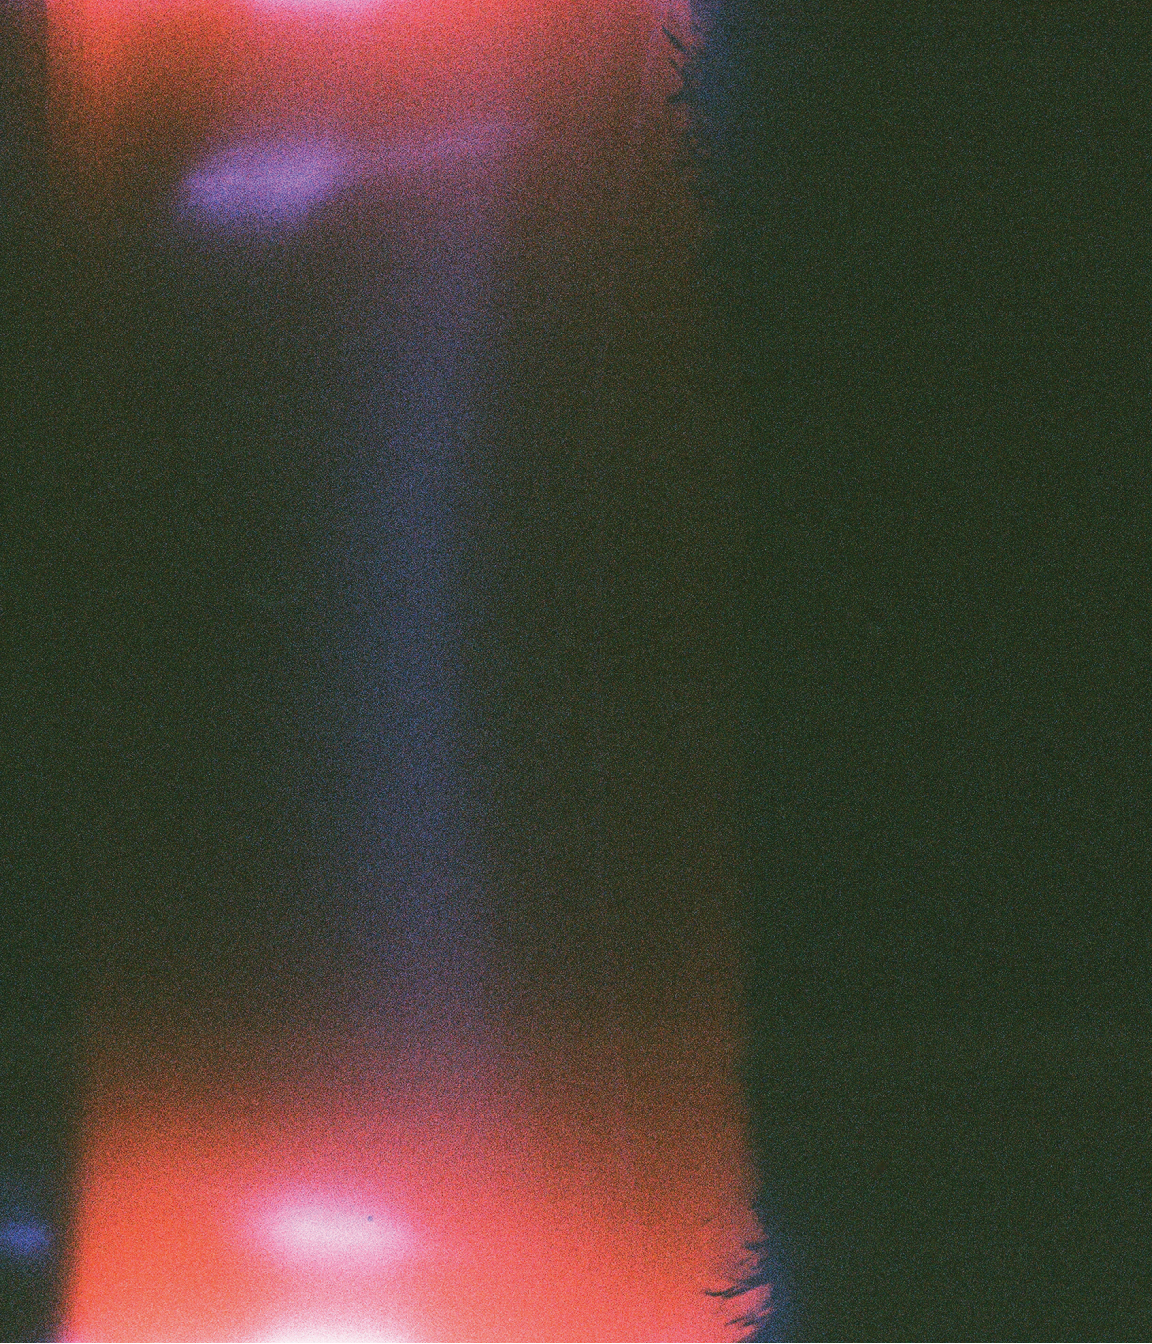
SÁPMI LAND IS WHERE SÁMI PEOPLE HAVE BEEN LIVING FOR THOUSANDS OF YEARS. THEY KNOW IT WELL AND THEY SING IT.

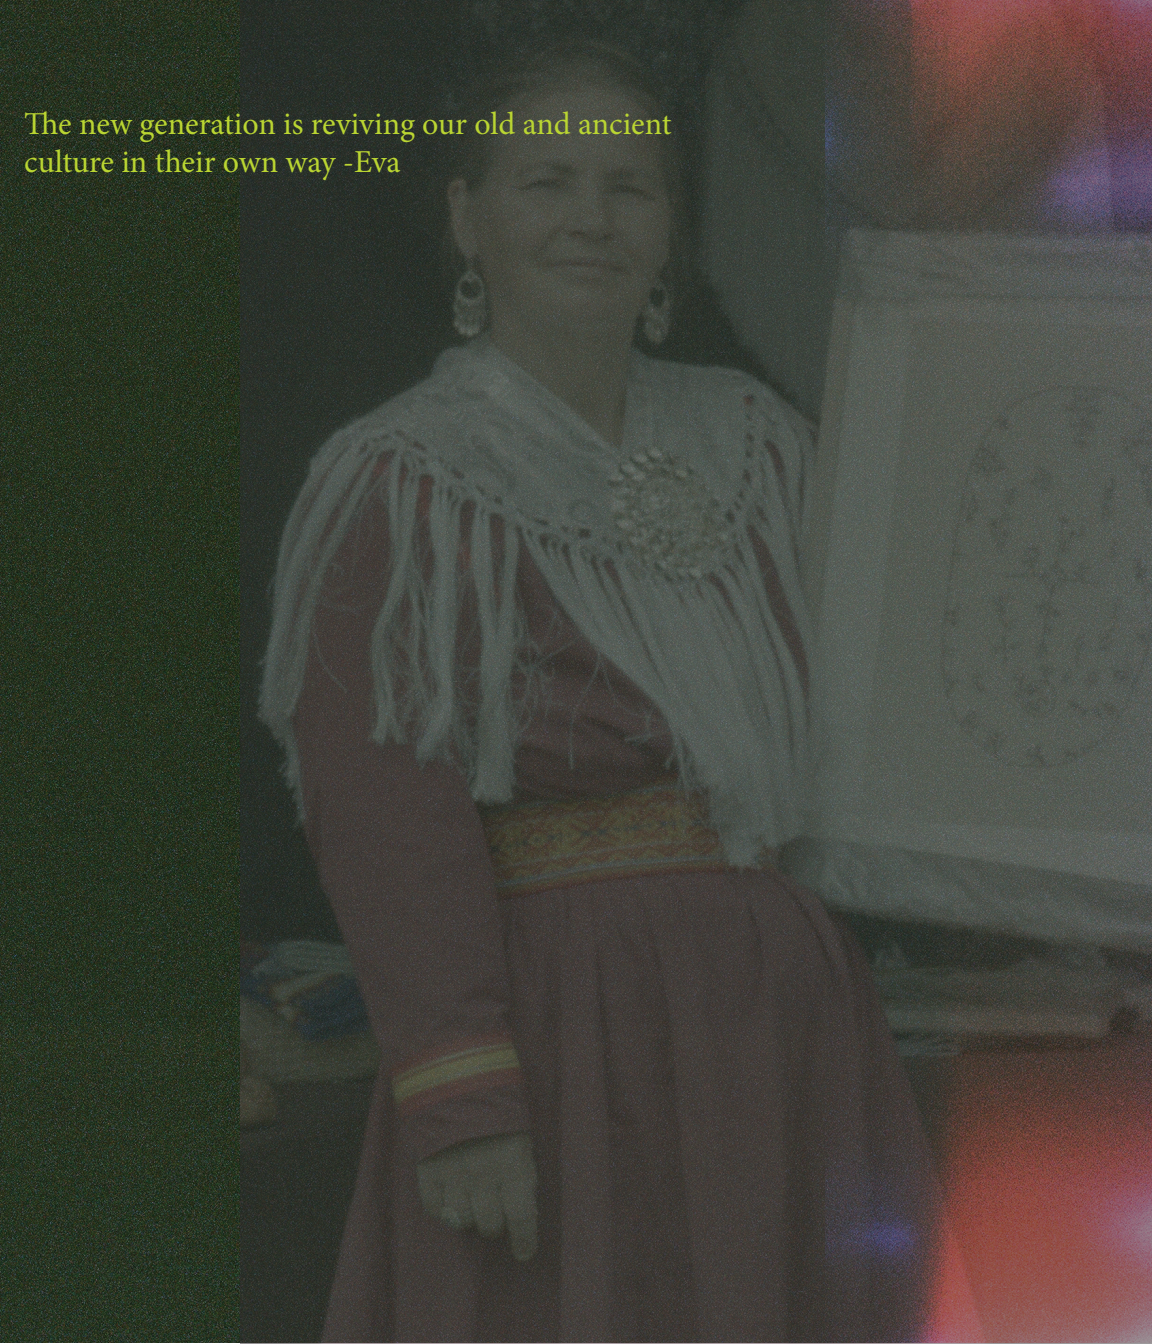
THIS PHOTOBOOK IS A DOCUMENTATION OF A PERSONAL JOUNREY CONSISTING OF PORTRAITS AND LANDSCAPES IN TODAY'S NORWAY FROM 2023 TO 2025. EVERY MOMENT SOUNDED LIKE SOMETHING.



TO GIVE A SOUND TO SOMETHING IS TO JOJK IT.

TO JOJK IS TO FEEL THE SOUL AND GIVE IT A PHYSICAL FORM.





The new generation is reviving our old and ancient culture in their own way -Eva
